**En Garde!** is one of the original role-playing games – it was first published (by GDW) in 1975. The last edition was published in 1988, but now it's back.

The new edition has been re-formatted, but is essentially the same as the 1988 edition (from SFC Press). The game hasn't changed at all – which will please its many fans.

This edition of **En Garde!** allows a whole new generation of gamers to discover the delights of swashbuckling in seventeenth century Paris.

The new **En Garde!** website is at [www.engarde.co.uk](http://www.engarde.co.uk)
